Calling all Gardeners! Space2grow is a charity operating on an acre of land adjoining The Old Vicarage and aims to provide a calming space where people with mental health problems or recovering from addictions, or who are just in need of a quiet place to be, can work in the garden growing fruit, flowers and vegetables, or just sharing with other people. They would be very grateful to receive any spare plants, seedlings, seeds or bulbs that you might have during the year, as they have a lot of space to fill. Please contact Linda Tolmie if you can help or would like to know more linda_tolmie@btinternet.com or 01252 727010.
